THE TREATISE on CONSUMPTION slone is worth more than the price of this medicine You will find certificates of Physicians, in Cin-CINNATI and of others whose cures have been effected here at home, where they can be found.

The public have been imposed upon by remedies, recommended by certificates which have always originated from some unknown source. We believe that a Medicine Possessing Real Merits will effect cures wherever it is used, at home as well as abroad. This is no Paregoric preparation, but one which if used in season will mave the lives of thousands; and persons may ake this bargain with Agents from whom the purchase, that in every case where it is used freely according to directions, and entire satisfaction is not given in 24 or 48 hours, they can return the medicine, and their Money will be cheerfully refunded.

WEIGH AND CONSIDER

Dr. Hall's Balsam, is no Paregoric but a Medicine which makes cures at home where the parties can be found. The great Cough and Con-

sumptive remedy.

Reader! have you a cough, which you are neglecting under the idea that it is only a com-mon cold, and that it will soon "wear itself out ?" Let a friend tell you, in all kindness, o7 what will soon be the probable result. In a short time, if you continue to neglect yourself, you will begin to feel a sense of tightness and oppression across the chest, accompanied with frequent sharp darting pains. Then a dry hacking cough will set in, and when you raise anything it will be a thick and yellowish, or white frothy matter, streaked perhaps with blood. If you still take no medicine, these unpleasant symptoms will increase, and you will soon have hectic fever, cold chills, night sweats, copious expectoration, and then great prostration. If you still neglect yourself, a few weeks or months will see you consigned to the grave, mentality by the providence of God, I will take the liberty to express to you my gratitude.

A cough and the alarming symptoms of Consumption had reduced me too low to leave me anything like hope, when my physician brought me a bottle of your "Pecrorat." It seemed to afford immediate relief, and now in a few weeks time has restored me to sound health.

If it will do for others what it has for me, you are certainly one of the benefactors of mankind.

Sincerely wishing you every blessing, I am Vary respectfully yours.

J. J. CLARKE, Rector of St. Peter's Church. With such assurance and from such men, no alternoon younger over of any benefactors of mankind.

Moreover of the benefactors of mankind.

L. They have also provided themselves with a constance of the Lungs, exciting there the formation of tubercies.

And are now prepared to give strict. flame, until these tubercles began to soften and suppurate, leaving, by their ulceration, great o7

at defiance all human means.
In the latter, or worst stage, this medicine will oftentimes arrest the disease, or check its progress, and will always make the patient more comfortable, and prolong his life, and it is there-fore worthy of a trial—but in its incipient or forming periods, Consumption is as carable as any other disease, and Dr. Hali's Balsam for the Lungs, if taken at this time, will cure it as surely as it is taken! We earnestly exhort all who have a cough, or are subject to colds, to keep the medicine by them, and whenever you take cold, eradicate it thoroughly, and at once, by this powerfully healing compound, and leav your Lungs, uninjured, to carry you in full vigor to a good old age.

DR. HOOFLAND'S CELEBRATED GERMAN BITTERS, PREPARED BY

DR. C. M. JACKSON, AT THE GERMAN MEDICINE STORE, 120 Arch Street, Philadelphia. Their power over the above diseases is not excelled

if equalled—by any other preparation in the
United States, as the cures attest, in many cases

after skilful physicians have failed.

These Ritters are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the Liver and lesser glands, exercising the most searching powers in weak-ness and affections of the digistive organs, they are withal, safe, certain and pleasant. READ AND BE CONVINCED.

From the " Boston Bee." The editor said, Dec. 22nd : Dr. Hoofland's Celebrated German Bitters for the cure of liver complaint, jaundice, dyspepsia, chronic or nervous debility, is deservedly one of the most popular medicines of the day. These Bitters have been used by thousands, and a friend at our elbow says he has himself received a permanent cure of liver complaint fro the use of this remedy. We are convinced that, in the use of these Bitters, the patient constantly gains strength and vigor -- a fact worthy of great consideration They are pleasent in taste and smell, and can be used by persons with the most delicate stomachs with safety, under any circumstances. We are speaking from experience and to the afflicted we advise their use

" Scott's Weekly," one of the best Literary papers published, said, Aug. 25-"Dr. Hoofland's German Bitters, manufactured by Dr. Jackson, are now recommended by some of the most prominent members of the fa-culty as an article of much efficacy in cases of animal of the most ferocious character.

debilitated constitutions will find these Bitters advantageous to their health, as we know from ing a well selected stock of advantageous to their health, as we know from experience the salutary effect they have upon weak systems."

MORE EVIDENCE.

The Hon. C. D. Hineline, Mayor of the city of Camden N. J., says :
"Hoofland's German Bitters."-We have seen of the liver and digestive organs, and the powerful influence it exerts upon nervous prostration is really surprising. It calms and strengthens the nerves, bringing them into a state o

"If this medicine was more generally used, we are satisfied there would be less sickin as, as from the stomach, liver, and nervous system, the emanate. Have them in a healthy condition and you can bid defiance to epidemics generally This extraordinary medicine we would advise our friends who are at all indisposed, to give a trial—it will recommend itself. It should, in fact, be in every family. No other medicine can

produce such evidences of merit."

Evidence upon evidence has been received (like the foregoing) from all sections of the Union, the last three years, and the strongest testimony in its favor, is that there is more of it used in the practice of the regular Physicians of Philadelphia, then all other nostrums combi-ned, a fact that can easily be established, and fully proving that a scientific preparation will meet with their quiet approval when presente:

even in this form.

That this medicine will cure Liver Complaint and Dyspepsia, no one can doubt after using it as directed. It acts specifically upon the stom-ach and liver; it is prefer bto to calomel in all bilious discases—the effect is immediate. They can be administered to female or infant with afety and reliable benefit at any time.
